

24 August 2026

NOTICE OF ROAD WORKS & TEMPORARY ROAD CLOSURES

Yellow Rock Road Upgrade

Dear Resident,

As part of the ongoing Yellow Rock Road Upgrade works, Cleary Bros will be undertaking pavement preparation and asphalt works along Yellow Rock Road from Monday 31 August to Wednesday 2 September 2026, 7:00am-5:00pm.

These works will result in significant traffic delays, road closures and temporary restrictions to property access.

Monday 31 August 2026 – Single Lane Traffic on Yellow Rock Rd between Paul Cct to Hereford Ch

Yellow Rock Road will remain open under traffic control. There will be a single lane operation between Paul Cct and Hereford Ch. Significant delays are expected throughout the day. Property access will be maintained where possible; however, short delays may occur. **No vehicles are permitted to be parked on Yellow Rock Rd.**

Tuesday 1 September 2026 – Road Closure of Yellow Rock Rd between Hereford Chase to Araluen Tce, Single Lane Traffic between Paul Cct to Araluen Tce

Yellow Rock Road will be closed to traffic between Hereford Ch and Araluen Tce with a single lane operation between Paul Cct to Araluen Tce.

Access to properties within the closure area will be significantly affected. Traffic controllers will assist residents with access where it is safe and practical. However, there will be short periods where vehicle access to individual properties will not be available, particularly while asphalt works are occurring directly adjacent to driveways. **No vehicles are permitted to be parked on Yellow Rock Rd.**

Wednesday 2 September 2026 – Road Closure at Araluen Tce / Single-Lane Traffic Control

Yellow Rock Road will be closed at Araluen Tce, with single-lane traffic control operating along Yellow Rock Road from Paul Cct to Hereford Ch.

Residents should expect significant delays and temporary access restrictions throughout the day. Traffic controllers will be in place to manage vehicle movements and assist residents with property access where possible. **No vehicles are permitted to be parked on Yellow Rock Rd.**

Resident Access

During these works, residents are requested to:

- **Not park any vehicles on the road pavement of Yellow Rock Rd during these days**
- Allow additional travel time and expect delays;
- Follow all directions from traffic controllers;
- Where possible, plan vehicle movements around the works; and
- Speak with the traffic control or site team if you have specific access requirements.

We appreciate your patience and cooperation while these works are completed and apologise for any inconvenience caused.

Kind regards,
CB Site Supervisor
John Kiely
